

Minutes July 27, 2011 GeoTech Conference Planning during the Monthly BOD Meeting

ChrisP, ChrisM, RobbieB, PeteD, BarbaraE, Yogan, Josh

Talk about the eNewsletter format. USPO mailing of the hard copy mailing to 10% members who don't have email addresses. 50-60 people couple hundred bucks. Sokhan can't send out attachments. Martin to post on WebSite with Link to Newsletter, then a quick summary / outline TOC of the contents in the eMail blast. 2-3 days for BOD to review when the .doc format is sent to BOD.

GeoEye Tech Tour 65-75% booked. Internal team is preparing for the August 26 Tour. Negative feedback was received about the SS#, but they still registered. 40 people max. Will send another blast if not full. Speakers include Dean Edmonson, GeoEye Analytics, International Sales Marketing, SOC from the viewing room. On track going well.

GeoTech : Chris McGlone gave the summary and sent a revised detailed Agenda of the program, including workshops. We will forward to Martin to update the web with what we have. Several ASPRS bucks from Chris Parrish will contribute for the hats, shirts, pins. Pete has 10-15 pins, Chris has some pins. ASPRS publication books as the poster winner awards. 1997 Fifteen Annual. Yogan to be the awards director for GeoTech.

Bobbi Lenczowski questions we read and discussed. We discussed, and did agree to the unspent rebate funds being spent on students, including student forums and chapters for that particular region that would have received the funds. Chris will reply.

Request Michele Doucette. Chantilly Academy High School (Advanced Public) GIS program featured. Peter volunteered and will coordinate with Tony S.

Laps member reporting. Find out what Tony's plan is. Survey Monkey. Get an update from him.
