Tech Tour at ASPRS Headquarters

On September 19, Potomac Region members met at ASPRS Headquarters in Bethesda, MD for a social and tour of the office and library. Thank you to ASPRS Executive Director Dr. Michael for hosting the Tech Tour and discussion with Potomac Region members!

Geotech 2015 Update and Call for Volunteers

GEOTECH 2015 will be held in Washington DC metro area in September 2015. We have decided to put our effort into having an exciting and interesting session in 2015 with a theme based on UAS/UAV and small satellite applications related to the Potomac Region's interests. We are in the midst of planning and welcome participation to make this a well attended and relevant technical meeting for all participants. In particular, we are in need of volunteers for the corporate outreach and budget chair persons. These two roles will be great networking opportunities and a chance to become more involved in the PR with the opportunity to make GEOTECH 2015 a success. Please respond to Vice President Susan Oakley (vicepresident@asprspotomac.org) with questions or to volunteer.

New Website for ASPRS Potomac Region

The Potomac Region is excited to announce a new look and feel for the region website, including updated content, region posts, and cross-posting with our Facebook feed. For board meeting agendas, minutes, news, events and contact information, visit the Potomac Region website: <http://www.asprspotomac.org>.

For board meeting agendas, minutes, news, events and contact information, visit the Potomac Region website: <http://www.asprspotomac.org> or follow us on Facebook and LinkedIn.
